

UNIVERSITY OF THE PHILIPPINES
Quezon City

OFFICE OF THE VICE-PRESIDENT
FOR ACADEMIC AFFAIRS

27 February 2007

Dear **Shulamith**,

Congratulations Oblation Scholar and welcome to UP!

You are one of the top 50 students who passed the UPCAT and given the privilege of a UP education. In addition to the title "UP Oblation Scholar", you are privileged to enroll in any undergraduate degree program and in any college within the U.P. System. The Scholarship includes free tuition, miscellaneous, and laboratory fees; semestral book allowance; and monthly special incentive allowance. But being a UP Oblation Scholar is both a privilege and responsibility. Your responsibility is to study hard and finish your program on time. As a scholar of the University and of the Filipino people, you are looked upon as a model to other students for your diligence in your studies and your seriousness of purpose. The future leaders of our country come from among the young, talented and caring persons like you. Take up the challenge!

If you are taking up the challenge, please confirm your acceptance of the UP Oblation Scholarship **on or before 15 April 2007** by phone (926-4736), e-mail (ovpaa@up.edu.ph) or by sending through fax (926-4736) the accomplished form below.

Also we would like to invite you and your parents/guardians to a briefing program for UP Oblation Scholars that will take place on **Wednesday, 13 June 2007 at 2:00 pm, at the Science Teachers Training Center (STTC) Auditorium** along Quirino Ave., UP Diliman Campus. After the Orientation, President Emerlinda R. Roman and other University Officials will join you at the Executive House for a *merienda cena* especially prepared for you and your parents.

Attached is an information material that explains the benefits and responsibilities of a UP Oblation Scholar. We look forward to having you as part of our academic community.

Yours truly,

AMELIA P. GUEVARA

Vice President for Academic Affairs
