Verification of Employment for Shulamith Rivera Sevilla

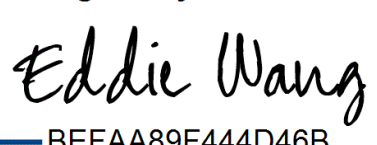

Please accept this letter as confirmation that Shulamith Rivera Sevilla was a fixed-term contractor with Luxor Technology Corporation from 1st November 2021 until 17th June 2022. Shulamith Rivera Sevilla was a Front End Engineer. Her last drawn fixed monthly fee was USD 4,166.66 per month (USD 50,000 per year). She worked on a full time basis of 40 hours per week.

As Front End Engineer, Shulamith worked remotely from her home office in the Philippines with the following responsibilities:

- Plan, design, build, and optimize user interface systems of the company's user facing web-based applications
- Work with the product owner and other team members to review weekly work assignments and ensure timely progress on deliverables.
- Other duties as assigned by her supervisor

We wish Shulamith the best in her future endeavors.

Kind Regards,

Signed by:
